Lender may create and maintain Borrowing Base Reserves against the Borrowing Base at any time and from time to time. Borrower may borrow, repay, in whole or in part, and reborrow under the Line of Credit; *provided that* if Revolving Loan Availability shall at any time be less than zero dollars (such condition being an "**Overadvance**"), Borrower shall within three Business Days, without demand or notice, or within one Business Day if demand or notice have been given, reduce the then outstanding balance of the Revolving Loans so that such Overadvance shall no longer exist.

(b) The proceeds of the Line of Credit shall be used for general working capital and corporate purposes not in violation of the terms of this Agreement or any of the other Loan Documents.

(c) Borrower shall execute and deliver to Lender a Revolving Note in the form of Exhibit 2.1 (the "**Revolving Note**"), dated as of the date of this Agreement, in the principal amount of the Revolving Commitment, and bearing interest at such rates, and payable upon such terms, as specified in the Revolving Note.

(d) The entire unpaid balance of the Line of Credit and the Letter of Credit Obligations, plus all accrued and unpaid interest, any other charges, advances and fees, if any, outstanding with respect to the then Revolving Credit Exposure shall be due and payable in full on the Termination Date.

2.2 Term Loan.

2.2.1. (a) Subject to the terms and conditions of this Agreement, Lender will make a loan to Borrower in an amount equal to \$1,100,000 (the "**Term Loan**"), which Term Loan shall be disbursed on or before June 30, 2012 upon satisfaction of the conditions in Section 7.1. No part of the Term Loan may, on the repayment thereof, be redrawn or reborrowed by Borrower. The entire unpaid principal balance of, and accrued interest on, the Term Loan, if not sooner repaid, will be due and payable on the Term Loan Maturity Date.

(b) Borrower shall execute and deliver to Lender a Term Promissory Note in the form of Exhibit 2.2 (the "**Term Loan Note**") in the principal amount of \$1,100,000, and bearing interest at such rates, and payable upon such terms, as specified in the Term Loan Note. Subject to the terms of this Agreement and the Term Loan Note, Borrower may prepay the Term Loan in whole or part at any time. Any prepayment of the Term Loan will be applied to the last to mature of the monthly payments required under the Term Loan Note. No partial prepayment will change the due dates or the amount of the monthly principal payments otherwise required by the Term Loan Note.

(c) The proceeds of the Term Loan shall be used for refinancing existing term Indebtedness with Key Bank, National Association.

2.3 Letters of Credit.

(a) Until the Termination Date and subject to the other terms and conditions of this Agreement, Borrower may request Lender to issue one or more of its standard standby letters of credit ("**Standby Letter of Credit**") or its standard commercial letters of credit ("**Commercial Letter of Credit**") in favor of such beneficiary(ies) as are designated by Borrower by delivering to Lender: (i) a Letter of Credit Application completed to the satisfaction of Lender, together with the proposed form of the Letter of Credit (which, in all material respects, will comply with the applicable requirements of Section 2.3(b)), (ii) a Borrowing Base Certificate which calculates the Letter of Credit Availability by giving effect to the proposed Letter of Credit, and (iii) such other Letter of Credit Documents that Lender then requires. Lender, in addition to the other terms of this Agreement, will have no obligation to issue the proposed Letter of Credit if, after giving effect to the proposed Letter of Credit, there would exist a Letter of Credit Deficiency. The making of each Letter of Credit request by Borrower will be deemed to be a representation by Borrower that the Letter of Credit may be issued in accordance with, and will not violate the terms of, this Section 2.3.

(b) Each Letter of Credit issued under this Agreement will, among other things, (i) be in such form requested by Borrower as is acceptable to Lender in its reasonable discretion exercised in good faith, (ii) be denominated in U.S. dollars, and (iii) be issued to support Borrower's obligations that finance its business needs incurred in the ordinary course of Borrower's business as presently conducted by it (and, in the case of Commercial Letters of Credit, solely the purchase of Eligible Inventory). In no event will any Standby Letter of Credit have a term of more than one year or any Commercial Letter of Credit have a term of more than 180 days; furthermore, and, in addition to the foregoing term limitation, Lender will have no obligation to issue any Letter of Credit with an expiry date later than 30 days before the Termination Date with respect to the Line of Credit. Each Letter of Credit Application and each Letter of Credit will set forth which rules or customs apply to the Letter of Credit. Such rules and customs may include, but are not limited to, the International Standby Practices, as published by the International Chamber of Commerce ("*ISP*") or the Uniform Customs and Practice for Documentary Credits, as published by ISP. In any event, the Letter of Credit shall be governed by (A) the rules or customs set forth in the Letter of Credit and (B) the internal laws of the State of Ohio and the United States of America, except to the extent such laws are inconsistent with the rules or customs adopted in the Letter of Credit Documents and Letter of Credit as set forth above.

(c) Upon receipt of a request from Borrower to open any Letter of Credit and of all attendant Letter of Credit Documents satisfactorily completed, Lender, within three Business Days, may either (i) issue the requested Letter of Credit to the beneficiary thereof and transmit a copy to Borrower, or (ii) elect, in its discretion exercised in good faith, not to issue the proposed Letter of Credit. If Lender elects not to issue such Letter of Credit, Lender will promptly communicate in writing to Borrower the reason(s) why Lender has declined such request.

(d) All obligations of Borrower under each Letter of Credit and all Letter of Credit Documents are payable on Lender's demand unless otherwise set forth in the applicable Letter of Credit Documents. Borrower promises to pay Lender the amount of all other Letter of Credit Obligations immediately when due, irrespective of any claim, setoff, defense or other right which Borrower may have at any time against Lender or any other Person. Subject to the terms of Section 6.6, Borrower hereby irrevocably instructs Lender, on the same Business Day that Lender is obligated to fund a drawing or make any expenditure or any other payment under a Letter of Credit or incurs any cost or expense under any Letter of Credit, to reimburse Lender for any drawing, expenditure or other payment made, or cost or expense incurred, by Lender debiting Borrower's loan account with Lender as an advance of the Revolving Loans pursuant to Section 2.1. If the advance of a Revolving Loan to reimburse Lender for any drawing, expenditure or other payment made, or cost or expense incurred, by Lender in respect of any Letter of Credit results (or to the extent that it results) in any Letter of Credit Deficiency, then Borrower will immediately eliminate any Letter of Credit Deficiency in accordance with the terms of Section 2.1(a).

(e) All Letter of Credit Obligations will constitute part of the Obligations and be secured by the Loan Collateral.

(f) Unless otherwise provided in a Letter of Credit Document, in determining whether to pay under any Letter of Credit, Lender will be responsible only to confirm in good faith that any documents required to have been delivered under a Letter of Credit appear to comply substantially on their face with the requirements of the Letter of Credit, and any action taken or omitted by Lender in good faith under or in connection with any Letter of Credit will not subject Lender to any liability to Borrower; *provided, however*, nothing in this Section 2.3(f) will relieve Lender of any liability it may have to Borrower to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by Borrower from Lender's gross negligence or willful misconduct. Lender shall not be obligated to cause any Letter of Credit to be extended or amended unless the requirements of this Section 2.3 are met as though a new Letter of Credit were being requested and issued.

(g) In addition to amounts payable as elsewhere provided in this Section 2.3, Borrower will protect, indemnify, pay and save Lender harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable attorneys' fees) which Lender (provided that it acts (or omits to act) in good faith and except for Lender's gross negligence or willful misconduct) may incur or be subject to as a consequence, direct or indirect, of the issuance of any Letter of Credit or the provision of any credit support or enhancement in connection therewith exclusive of claims, demands, liabilities, damages, losses, costs, charges and expenses to the extent caused by the gross negligence or willful misconduct of Lender. The agreement in this Section 2.3(g) shall survive repayment of all other Obligations.

(h) As between Borrower and Lender, Borrower assumes all risks of the acts and omissions of, or misuse of any of the Letters of Credit by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, Lender shall not be responsible for: (i) the existence of any claim, set-off, defense or other right which Borrower may have at any time against any beneficiary, or any transferee, of any Letter of Credit (or any Persons for whom any such beneficiary or any such transferee may be acting), Lender or any other Person, whether in connection with this Agreement or the other Loan Documents, the transactions contemplated in this Agreement, or any unrelated transaction; (ii) any statement or any other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect, so long as Lender had no actual knowledge of the same; (iii) any default, negligence, misfeasance, suspension, insolvency, or bankruptcy of any shipper or any other Person involved in any transaction covered thereby or any correspondent or agent of Lender to whom any drafts, documents or instruments may be entrusted; (iv) any delay, interruption, omission or error in transmission or delivery of any document, certificate, draft, or message; (v) payment by Lender under any Letter of Credit against presentation of a draft or certificate which substantially complies with the terms of such Letter of Credit; (vi) the invalidity or unenforceability of the Letter of Credit; (vii) the examination of documents presented under a Letter of Credit exclusively by electronic or electro-optical means; or (viii) any other circumstances or happening whatsoever, whether or not similar to any of the foregoing, including any act or omission, whether rightful or wrongful, of any present or future *de jure* or *de facto* governmental authority. None of the foregoing shall affect, impair or prevent the vesting of any rights or powers of Lender under this Section 2.3.

(i) In furtherance and extension, and not in limitation, of the specific provisions set forth above, any action taken or omitted by Lender under or in connection with any of the Letters of Credit or any related certificates, if taken or omitted in good faith in the absence of gross negligence or willful misconduct, shall not put Lender under any resulting liability to Borrower or relieve Borrower of any of its obligations hereunder to Lender.

(j) Prior to or contemporaneously with the issuance of any Commercial Letter of Credit, Borrower will, at Lender's request, (i) in the case of import-export acceptances or domestic shipment of goods, present evidence satisfactory to Lender: (A) regarding the terms and conditions of the underlying import-export transaction or the domestic shipment transaction, including dates of shipment, and (B) regarding the existence of necessary import, export or other license for the import, export, shipping or warehousing of the property covered by documents of title delivered to Lender in connection with the Commercial Letter of Credit and (ii) instruct all suppliers, carriers, forwarders, warehouses or others receiving or holding cash, checks, Inventory, documents or instruments in which Lender holds a security interest to deliver them to Lender and/or subject to Lender's order, and if they shall come into Borrower's possession, to deliver them, upon request, to Lender in their original form. Borrower shall also, at Lender's request, designate Lender as the consignee on all bills of lading and other negotiable and non-negotiable documents.

(k) Borrower will pay to Lender, with respect to each Letter of Credit issued by Lender, a fee ("**LOC Fee**") at a rate: (i) per annum equal to three and three-quarters percent on the amount available to be drawn under each Standby Letter of Credit from, and including, the issuance date (and, as applicable, each renewal date) of the Standby Letter of Credit to and including the expiry date thereof and (ii) equal to the standard and customary fees of the Lender then in effect on the date of issuance of each Commercial Letter of Credit, on the stated amount of each Commercial Letter of Credit. In addition, Borrower will pay to Lender, on its demand for payment, Lender's then current issuance, opening, closing, transfer, amendment, draw, renewal, negotiation and other letter of credit administration fees, charges and reasonable out of pocket expenses with respect to each Letter of Credit. The LOC Fee is fully earned by Lender when paid and non-refundable and shall be due and payable annually in advance by Borrower upon the issuance (and each renewal) of each Letter of Credit. The LOC Fee will be calculated on the basis of the actual number of days elapsed in a 360-day year. If any Letter of Credit is cancelled for any reason before the stated expiry date thereof, the LOC Fee paid in advance will not be refunded and will be retained by Lender solely for its account.

(l) If (i) any law, treaty, rule, regulation, guideline or determination of a central bank or a governmental authority or interpretation or application thereof by a central bank or governmental authority or (ii) compliance by Lender with any request or directive (whether having the force of law) from, or compliance by Lender with any official pronouncement or statement of, or as a result of any audit, investigation, or enforcement action (whether or not against Lender) by, a central bank or other government authority shall either (A) impose, modify, deem or make applicable any reserve, special deposits, assessment or similar requirement against letters of credit issued by Lender or (B) impose on Lender any other condition regarding this Agreement or any Letter of Credit, and, in Lender's judgment exercised in good faith, the result of any event referred to in clause (A) or (B) above is the increase of the cost to Lender of issuing or maintaining any Letter of Credit, then, on demand by Lender, Borrower will immediately pay to Lender, from time to time as specified by Lender, additional amounts sufficient to compensate Lender for such increased cost (the "**Increased LOC Costs**"), together with interest on each such amount from the date demanded until payment in full thereof at a rate per annum equal to the then applicable interest rate on the Revolving Loans; *provided, however*, that Lender may charge Borrower for such Increased LOC Costs only to the extent that such cost is generally charged by Lender to its other similarly situated borrowers assuming Lender is legally empowered to do so. A certificate as to such Increased LOC Costs incurred by Lender, submitted by Lender to Borrower, shall be conclusive, absent manifest error, as to the amount thereof.

2.4 Funding of Revolving Loans.

(a) Prior to the Termination Date, and subject to the other terms and conditions of this Agreement, all disbursements of Revolving Loans will initially be made upon request of the Borrower in writing, by crediting the operating account of Borrower maintained at Lender or an Affiliate of Lender. In addition to advances of Revolving Loans made according to the foregoing sentence, Lender will, from time to time prior to the Termination Date and subject to the other terms and conditions of this Agreement, make advances of Revolving Loans via wire transfers or ACH payments so long as Borrower has given Lender written notice, via facsimile transmission, electronic mail or otherwise, no later than 1:00 p.m. Cincinnati, Ohio time on the date Borrower shall request that such Revolving Loan be advanced in the case of wire transfers and any other deadline imposed by Lender from time to time for ACH payments. The making of each Revolving Loan, whether via credit to Borrower's account or a written request by Borrower, will be deemed to be a representation by Borrower that (i) the Revolving Loan will not violate the terms of Section 2.1 and (ii) all Eligible Inventory, Eligible Billed Accounts and Eligible Unbilled Accounts then comprising the Borrowing Base meet all of Lender's criteria for Eligible Inventory, Eligible Billed Accounts and Eligible Unbilled Accounts.

(b) All service charges and costs related to the establishment and maintenance of Lender's and its Affiliates' treasury and cash management services shall be the sole responsibility of Borrower, whether the same are incurred by Lender, Lender's Affiliates or Borrower, and Lender, at its discretion, may charge the same against Borrower and any account maintained by Borrower with Lender or the applicable Lender Affiliate and the same shall be deemed part of the Obligations.

2.5 Payment; Time of Payment; Late Payments

(a) Borrower promises to pay and to perform, observe and comply with when due all of the Obligations. All payments to be made by Borrower on account of the Obligations will be made by Borrower without setoff, deduction, offset, recoupment or counterclaim in immediately available funds. Borrower shall make all payments of principal, interest and all other Obligations no later than 2:00 p.m., Cincinnati, Ohio time, on the Business Day such payments are due; any and all amounts paid after such time shall be credited on the next Business Day. As an accommodation to Borrower, on the date any payment of interest or principal of the Loans, or any fee, charge or other Obligation is due, Lender is hereby authorized, in its discretion, to charge such amounts to the loan account with Lender as an advance of the Revolving Loans. All payments by Borrower under this Agreement will be in lawful money of the United States of America, and, unless otherwise provided in this Agreement or instructed by Lender in writing from time to time, Borrower will make all payments required under this Agreement and under any of the other Loan Documents in immediately available funds to an account designated by Lender from time to time.

(b) If any payment is not made when due under this Agreement or any of the other Loan Documents and, at the time payment was due, there was insufficient Revolving Loan Availability to charge such payment to the loan account with Lender as an advance of the Revolving Loans, Borrower shall pay to Lender a late payment fee equal to five percent (5%) of any payment not paid when due (whether by maturity, acceleration or otherwise). In addition, all Obligations shall, after the occurrence and during the continuance of an Event of Default, bear interest at the Default Rate without notice to Borrower; *provided* that this Section 2.5(b) shall not be deemed to constitute a waiver of any Event of Default or an agreement by Lender to permit any late payments whatsoever. "**Default Rate**" means the applicable rates of interest set forth in the Notes plus an additional 3.00% per annum. In no event shall the interest rate accruing under the Notes be increased to be in excess of the maximum interest rate permitted by applicable state or federal usury laws then in effect.

2.6 One General Obligation; Cross-Collateralized. All advances of credit to, or for the benefit of, Borrower under this Agreement and under any other Loan Document constitute one loan, and all of the Obligations constitute one obligation. The Loans and all other advances or extensions of credit to, or for the benefit of, Borrower under this Agreement or the other Loan Documents and all other Obligations are made on the security of all of the Loan Collateral. The limits on outstanding advances against the Borrowing Base are not intended and shall not be deemed to limit in any way Lender's security interest in, or other Liens on, the Accounts, Inventory, Equipment, General Intangibles, or any other Loan Collateral.

2.7 Unused Line Fee. Commencing on June 1, 2012 and continuing on the first day of each and every month thereafter until the Obligations are fully paid and satisfied (and, as applicable, on the date this Agreement is terminated), Borrower will pay to Lender a fee ("**Unused Line Fee**") in an amount equal to the result obtained by multiplying (i) the difference between (a) the Revolving Commitment and (b) the average daily Revolving Loans advanced to Borrower during the preceding month (or portion thereof during which any portion of the Revolving Loans was outstanding or during which this Agreement was in full force and effect) for which the Unused Line Fee is being determined by (ii) the result obtained (expressed as a percentage) by multiplying 0.25% by a fraction, the numerator of which is the sum of days in such month during which this Agreement was in full force and effect (or during which any portion of the Revolving Loans was outstanding) and the denominator of which is 360.

2.8 Note Processing Fees. Borrower shall pay to Lender on the Closing Date note processing fees in the amount of \$1,000.00 (the "**Note Processing Fee**"). The Note Processing Fee is fully-earned and non-refundable as of the Closing Date.

2.9 Voluntary Termination of Revolving Commitment; Prepayment Fee. Borrower may voluntarily terminate the Revolving Commitment in total by (i) giving Lender 10 Business Days advance notice ("**Termination Notice**") of the date on which the Revolving Commitment is to terminate ("**Voluntary Termination Date**"), and (ii) paying and satisfying on the Voluntary Termination Date, all Revolving Loans, the Term Loan and all other Obligations. Borrower may not terminate the Revolving Commitment in part. Borrower may also prepay, in whole or in part, without penalty, the Term Loan.

2.10 Security and Collateral. To secure the payment when due of the Obligations, the Parent and the Borrower shall execute and deliver, or cause to be executed and delivered, to the Lender Guaranties and Security Documents granting the following:

5.10 Minimum EBITDA. Borrower will not permit ("*EBITDA Covenant*") Borrower's EBITDA to be less than (a) as of June 30, 2012, \$2,400,000 calculated for the two (2) consecutive Fiscal Quarters then ending, and (b) as of September 30, 2012, \$3,700,000 calculated for the two (2) consecutive Fiscal Quarters then ending. For the avoidance of doubt, there will not be a minimum EBITDA covenant after September 30, 2012.

5.11 Fixed Charge Coverage Ratio. Commencing with the Fiscal Quarter ending December 31, 2012, Borrower will not permit the ratio ("*Fixed Charge Coverage Ratio*") resulting from dividing (a) the sum of, for any Test Period, (i) EBITDA, plus (ii) operating lease payments and rent payments, minus (iii) Non-financed Capital Expenditures, minus (iv) the amount of any increase in the Net Advance to Affiliates by (b) Fixed Charges for that same Test Period to be less than 1.1 to 1 for any Test Period.

5.12 Maximum Increase in Net Advances to Affiliates. Borrower will not permit the Net Advances to Affiliates to increase by more than the following amounts:

(i) as of June 30, 2012 and calculated for the period from and including December 31, 2011 to and including June 30, 2012, the Net Advances to Affiliates may not increase over the Base Amount (as defined below) by more than \$1,700,000;

(ii) as of September 30, 2012 and calculated for the period from and including December 31, 2011 to and including September 30, 2012, the Net Advances to Affiliates may not increase by more than \$2,900,000 over the Base Amount;

(iii) as of December 31, 2012 and calculated for the period from and including December 31, 2011 to and including December 31, 2012, the Net Advances to Affiliates may not increase by more than \$4,000,000 over the Base Amount;

(iv) as of March 31, 2013 and as of the last day of each Fiscal Quarter thereafter and calculated for each Test Period, the Net Advances to Affiliates may not increase by more than an amount equal to 90% of the Borrower's EBITDA (as calculated for the same Test Period) over the Base Amount.

As used in this Section 5.12, "Base Amount" means (x) with respect to subsections (i), (ii) and (iii) above, \$30,735,000 (which is the Net Advances to Affiliates as of December 31, 2011), and (y) with respect to subsections (iv) and (v) above, the amount of Net Advances to Affiliates as determined on the date which is one year prior to the last day of the Test Period.

Section 6. Events of Default and Remedies.

6.1 Events of Default. The occurrence of any of the following events, whether or not caused by or within the control of Borrower, shall be an event of default under this Agreement (each, an "**Event of Default**"):

(a) Any representation or warranty made by or on behalf of any Loan Party in any of the Loan Documents or in any other statement, certificate or document delivered to Lender pursuant to any such Loan Document, is incorrect in any material respect when made or reaffirmed; or

(b) Borrower defaults in the payment of any of the Obligations when due and payable, by acceleration or otherwise; or

(c) Borrower fails to observe or comply with Section 5.12 and fails to cure such default by the date that is 45 days after the earlier of the date: (i) Lender notifies Borrower of such default or (ii) on which any Loan Party has knowledge of such default;

(d) Any Loan Party fails to observe, comply with or perform any other covenant, condition or agreement herein or in any of the other Loan Documents (i.e., exclusive of those defaults covered by the other clauses of this Section 6.1) and fails to cure such default by the date that is 10 Business Days after the earlier of the date: (i) Lender notifies Borrower of such default or (ii) on which any Loan Party has knowledge of such default; *provided* that such 10-day grace period shall not apply to: (A) a breach of any covenant that, in Lender's good faith judgment, cannot be cured; (B) any failure to maintain insurance in accordance with Section 4.5 or any Security Document or to permit inspection by Lender, or its agent, of the Loan Collateral or of the books and records of Borrower in accordance with Sections 4.1 or 4.2; (C) any breach of Sections 4.3(g), 4.9(a) or 4.9(b); (D) any breach in any negative covenant set forth in Section 5 (except with respect to Section 5.12 which is otherwise covered by Section 6.1(c)); (E) a breach or default of any other Loan Document if a period of cure is expressly provided for in such other Loan Document with respect to a breach or default under such other Loan Document; or (F) any breach if, within the 6 calendar months immediately preceding the occurrence of such current breach, a Loan Party has previously breached the same provision of this Agreement or any other applicable Loan Document; or

(e) A court enters a decree or order for relief with respect to any Loan Party in an involuntary case under any applicable bankruptcy, insolvency or other similar law then in effect, or appoints a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of any Loan Party for any substantial part of their respective property, or orders the wind-up or liquidation of its, his or their affairs; or a petition initiating an involuntary case under any such bankruptcy, insolvency or similar law is filed and is pending for sixty (60) days without dismissal; or

(f) Any Loan Party commences a voluntary case under any applicable bankruptcy, insolvency or other similar law in effect, or makes any general assignment for the benefit of creditors, or fails generally to pay their respective debts as such debts become due, or takes any authorizing action in furtherance of any of the foregoing; or

(g) (i) Any Loan Party defaults under the terms of any other Indebtedness or lease that in either case, individually or in the aggregate, involves Indebtedness in excess of \$100,000 and such default gives any creditor or lessor thereof the right to accelerate the maturity of any such Indebtedness or lease payments; or (ii) there is a default under the terms of any of the Organizational and Shareholder Documents, or a default under any other Material Agreement that gives any party to such Material Agreement the right to terminate the Material Agreement or to demand adequate assurances from the other party; or

(h) Any judgment, order or decree for the payment of money in excess of \$100,000 is rendered against any Loan Party and remains undischarged for 30 days during which time execution is not effectively stayed, vacated, or discharged; or

(i) Any event occurs which could, in Lender's opinion exercised in good faith, with reasonable certainty have a Material Adverse Effect; or

(j) There occurs a Change of Control; or

(k) There occurs a nonpayment by any Loan Party of any Rate Management Obligation when due or the breach by any Loan Party of any term, provision or condition contained in any Rate Management Agreement; or

(l) The dissolution of any Loan Party; or

(m) The commencement of any foreclosure proceedings, proceedings in aid of execution, attachment actions, or levies by any Person against, or the filing by any taxing authority of a Lien against any of the Loan Collateral or any property securing the repayment of any of the Obligations which have not been vacated, discharged or stayed within 10 Business Days after the commencement thereof; or

(n) There occurs an uninsured casualty loss with respect to any of the Loan Collateral having an aggregate fair market value greater than \$100,000; or

(o) (i) The validity or effectiveness of any of the Loan Documents or its transfer, grant, pledge, mortgage, or assignment by the party executing such Loan Document is materially impaired; (ii) any party executing any of the Loan Documents asserts in writing that any of such Loan Documents is not a legal, valid and binding obligation of the party thereto enforceable in accordance with its terms; (iii) the security interest or other Lien purporting to be created by any of the Loan Documents shall for any reason cease to be a valid, perfected Lien subject to no other Liens other than any Permitted Liens; or (iv) any Loan Document is amended, hypothecated, subordinated, terminated or discharged, or any Person is released from any of its material covenants or obligations under any of the Loan Documents except as permitted by Lender in writing; or

(p) A contribution failure occurs with respect to any employee benefit plan maintained by Parent or Parent's ERISA Affiliate sufficient to give rise to a Lien under Section 302(f) of ERISA; or

(q) The filing of any Lien against the Loan Collateral or any part thereof (exclusive of Permitted Liens) which is not removed to the satisfaction of Lender within a period of 10 Business Days thereafter;

(r) Failure by Parent to sell MDT Armor or its assets or cease active operations of MDT Armor on or before August 31, 2012.

6.2 Remedies. If any Event of Default occurs and after the lapse of any applicable cure, Lender may cease advancing money hereunder, and Lender may elect to exercise any one or more of the following remedies, all without presentment, demand, protest or notice of any kind, as the same are hereby expressly waived by Parent and Borrower, unless otherwise required by applicable law:

(a) cease advancing any Revolving Loans, issuing Letters of Credit, and declare all Obligations to be immediately due and payable, whereupon such Obligations shall immediately become due and payable, and terminate this Agreement and all obligations of Lender under this Agreement;

(b) proceed to enforce payment of the Obligations and to realize upon the Loan Collateral or any property securing the Obligations, including causing all or any part of the Loan Collateral to be transferred or registered in its name or in the name of any other Person, with or without designation of the capacity of such nominee, and Borrower shall be liable for any deficiency remaining after disposition of any Loan Collateral;

(c) offset and apply to all or any part of the Obligations all moneys, credits and other property of any nature whatsoever of any Loan Party now or at any time hereafter in the possession of, in transit to or from, under the control or custody of, or on deposit with (whether held by any Loan Party individually or jointly with another Person), Lender or its Affiliates, including certificates of deposit; and/or

(d) exercise any and all rights and remedies provided by applicable law and the Loan Documents.

6.3 No Remedy Exclusive. No remedy set forth herein is exclusive of any other available remedy or remedies, but each is cumulative and in addition to every other remedy available under this Agreement, the other Loan Documents or as may be now or hereafter existing at law, in equity or by statute, and each may be exercised together, separately and in any order. Borrower waives any requirement of marshaling of assets that may be secured by any of the Loan Documents.

6.4 Effect of Termination. Any termination of this Agreement shall not affect any rights of any party or any obligation of any party to the other, arising prior to the effective date of such termination, and the provisions hereof shall continue to be fully operative until all transactions entered into, rights created or Obligations incurred prior to such termination have been fully disposed of, concluded or liquidated. The security interest, other Liens and rights granted to Lender hereunder and under the Loan Documents shall continue in full force and effect, notwithstanding the termination of this Agreement or the fact that no Loans are outstanding to Borrower, until all of the Obligations have been paid in full.

6.5 No Adequate Remedy at Law. Borrower recognizes that no remedy at law shall provide adequate relief to Lender in the event that Borrower shall fail to pay, perform, observe or discharge any of the Obligations under this Agreement or the other Loan Documents to which it is a party or otherwise bound, and, accordingly, Lender and Borrower agree that Lender shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving that it has incurred actual damages.

6.6 Actions in Respect of Letters of Credit If any Event of Default shall have occurred and be continuing, Lender may, whether in addition to taking any of the actions described in this Section 6 or otherwise, if any Letters of Credit shall have been issued, make demand upon Borrower to, and forthwith upon such demand Borrower will, pay to Lender in same day funds at Lender's office designated in such demand, for deposit in a special non-interest bearing cash collateral account (the "**Letter of Credit Collateral Account**") to be maintained at such office of Lender, an amount equal to the Letter of Credit Exposure from time to time in existence. The Letter of Credit Collateral Account shall be in the name of Lender (as a cash collateral account), and under the sole dominion and control of Lender exercised in good faith (with sole right of withdrawal) and subject to the terms of this Agreement and the other Loan Documents. On each drawing under a Letter of Credit, Lender shall seek reimbursement from any amounts then on deposit in the Letter of Credit Collateral Account; *however*, if (a) no amounts are then on deposit in the Letter of Credit Collateral Account, (b) the amount then on deposit in the Letter of Credit Collateral Account is insufficient to pay the amount of such drawing, or (c) Lender is legally prevented or restrained from immediately applying amounts on deposit in the Letter of Credit Collateral Account, then the amount of each unreimbursed drawing under such Letter of Credit and payment required to be made under this Section 6.6 shall automatically be converted into a Revolving Loan made on the date of such drawing for all purposes of this Agreement. To the extent that Lender applies amounts on deposit in the Letter of Credit Collateral Account as provided in this Section 6.6, and, thereafter, such application (or any portion thereof) is rescinded or any amount so applied must otherwise be returned by Lender upon the insolvency, bankruptcy or reorganization of Borrower or otherwise, then the amount so rescinded or returned shall automatically be converted into a Revolving Loan made on the date of such drawing for all purposes of this Agreement.

Section 7. Conditions Precedent

7.1 Conditions to Initial Loans. Lender shall have no obligation to make or advance the initial Revolving Loans or the Term Loan until each of the following conditions precedent shall have been satisfied:

(a) Parent and Borrower shall execute and deliver, or cause to be executed and delivered by the applicable Person, as applicable, to Lender, in form and substance reasonably satisfactory to Lender, each of the following:

- (i) The Notes and the Security Documents;
- (ii) A Borrowing Base Certificate completed as of the Business Day prior to the Closing Date;
- (iii) Certificate Regarding Resolutions of the directors, or managers, as applicable, of each Loan Party in a form reasonably acceptable to Lender;
- (iv) A favorable opinion of counsel to Borrower in form and substance acceptable to Lender;
- (v) The certificates of insurance as described in Section 4.5;

(vi) UCC searches, tax lien and litigation searches, insurance certificates, notices or other documents which Lender may require to reflect, perfect or protect Lender's first priority lien in the Loan Collateral and all other property pledged to secure the Obligations and to fully consummate this transaction;

(vii) All requisite releases of, or requisite commitments from the holders thereof acceptable to Lender to release, all liens and file all termination statements necessary to release all Liens (other than Permitted Liens) against the Loan Collateral and any other property pledged to secure the Loans and all requisite waivers and subordination agreements, in a form satisfactory to Lender, to be executed and delivered by Loan Party's landlords, warehousemen and mortgagees which Lender deems necessary;

(viii) A payoff letter from Key Bank, National Association in a form reasonably acceptable to Lender;

(ix) Such information, materials and Loan Documents as included those on the closing checklist prepared by Lender's counsel.

(b) With respect to the Term Loan only, Borrower shall have delivered to Lender an environmental assessment report in form and substance reasonably satisfactory to Lender from a firm satisfactory to Lender and a mortgagees' title policy, in form and substance reasonably satisfactory to Lender.

(c) Borrower shall reimburse Lender for any and all fees, costs and out-of-pocket expenses including reasonable attorneys' fees and other professionals' fees, appraisal fees, and other expenses incurred or paid by Lender or any of its officers, employees or agents in connection with the preparation, negotiation, procurement, review or execution of this Agreement, the other Loan Documents and all other instruments, agreements, documents, policies, consents, waivers, subordinations, releases of liens, termination statements, satisfaction of mortgages, financing statements, lien searches, recordings, or filings related thereto, whether or not any particular portion of the transactions contemplated during such negotiations is ultimately consummated.

(d) Lender shall have completed to its satisfaction an audit of the books and records of Borrower, including the Loan Collateral. It is understood, however, that any such audit by Lender shall in no respect waive Lender's rights to pursue remedies upon an Event of Default.

(e) No event occurred which could, in Lender's judgment exercised in good faith, with reasonable certainty have a Material Adverse Effect.

7.2 Conditions to Each Loan and Issuance of Letters of Credit Lender shall have no obligation to advance additional Loans or issue any Letters of Credit unless, as to each such Loan, requested drawing, advance or Letter of Credit, the following statements shall be true and correct:

(a) Each of the representations and warranties contained herein and in the other Loan Documents shall be correct in all material respects, and each shall be deemed to be reaffirmed as of the date of each such Loan or Letter of Credit, with the same effect as though such representations and warranties had been made again on and as of each day of the term of this Agreement subject to such changes as are not prohibited hereby or do not constitute Events of Default;

(b) No event shall have occurred and be continuing, or would result from such Loan or Letter of Credit, which constitutes an Event of Default, or would constitute an Event of Default but for the requirement that notice be given or lapse of time or both;

(c) (i) The aggregate unpaid principal amount of the Revolving Loans after giving effect to such Revolving Loan shall not violate the lending limits set forth in Section 2.1 of this Agreement and (ii) the Letter of Credit Availability, after giving effect to such Letter of Credit, is greater than zero Dollars;

(d) No law or regulation prohibits, and no order, judgment or decree of any arbitrator or governmental authority enjoins or restrains Lender, from making the requested advance; and

The acceptance by Borrower of the proceeds of each Loan or the issuance of each Letter of Credit shall be deemed to constitute a representation and warranty by Borrower that the conditions in this Section 7.2, other than (i) those that have been waived in writing by Lender, or (ii) the type described in clause (d) of this Section 7.2, have been satisfied.

Section 8. Participations.

8.1 Participation. Lender, in the ordinary course of its commercial banking business and in accordance with applicable law, may at any time after the Closing Date, sell to one or more lenders or other entities ("**Participants**") participating interests in the Loans, the Loan Collateral or other security provided to Lender, or any other interests of Lender under this Agreement or the other Loan Documents.

8.2 Participant Consents. Borrower acknowledges that Participants have and will have certain rights under their respective participation agreements with Lender that may, subject to the terms of the participation agreements, require Lender to obtain the consent (collectively, "**Participant Consents**") of some or all of the Participants before Lender takes or refrains from taking certain actions (other than as expressly required by the Loan Documents) or grants certain waivers, consents or approvals in respect of the Loans, the Loan Documents or the Loan Collateral. None of the Participants, however, will have Participant Consent rights which are greater than those rights and remedies Lender has under the Loan Documents. In addition, from time to time, Lender may request instructions from the Participants in respect of the actions, waivers, consents or approvals which by the terms of any of the Loan Documents Lender is permitted or required to take or to grant or to not take or grant ("**Participant Instructions**"). If the Participant Consents are, pursuant to the terms of the respective participation agreements, required or Participant Instructions are requested, Lender will (i) be absolutely empowered to take or refrain from taking any action (other than as expressly required by the Loan Documents) or withhold any waiver, consent or approval and (ii) not be under any liability whatsoever to any Person, including Borrower and any Participant, from taking or refraining from taking any action or withholding any waiver, consent or approval under any of the Loan Documents until it has received the requisite Participant Consents or, as applicable, the Participant Instructions. Borrower does hereby indemnify, defend, save and hold Lender, its Affiliates, and their respective officers, directors, attorneys, and employees harmless of, from and against all claims, demands, liabilities, judgments, losses, damages, costs and expenses, joint or several (including all accounting fees and reasonable attorneys' fees), that Lender or any such indemnified party may incur as a result of a Participant failing to fund its portion of any Loan or failing to give a Participant Consent.

8.3 Information. Borrower authorizes Lender to disclose to any Participant or prospective Participant or any assignee or prospective assignee of Lender's rights under the Loan Documents any and all financial information in Lender's possession concerning Borrower which has been delivered to Lender by Borrower pursuant to the Loan Documents or in connection with Lender's credit evaluation of Borrower or which has been obtained independently by Lender in its credit evaluation or audit of Borrower, provided that such Participant first agrees in writing to be bound by the terms of the Confidentiality Agreement between Borrower and Lender dated in November 2011.

8.4 Law Requirements. Nothing in the Loan Documents will prohibit Lender from pledging or assigning its interests in the Loans to any Federal Reserve Lender in accordance with applicable law.

Section 9. Miscellaneous Provisions.

9.1 General. This Agreement, the Schedules and Exhibits hereto, and the other Loan Documents are the complete agreement of the parties hereto and supersede all previous understandings and agreements relating to the subject matter hereof. This Agreement may be amended only in writing signed by the party against whom enforcement of the amendment is sought. This Agreement may be executed in multiple counterparts, each of which shall be an original but all of which together shall constitute one and the same instrument. If any part of this Agreement is held invalid, illegal or unenforceable, the remainder of this Agreement shall not in any way be affected. This Agreement is and is intended to be a continuing agreement and shall remain in full force and effect until the Obligations are finally and irrevocably paid in full and the Line of Credit is terminated. Any documents delivered by, or on behalf of, any Person by fax transmission or other electronic delivery of an image file reflecting the execution thereof: (i) may be relied on by all Persons as if the document were a manually signed original and (ii) will be binding on all Persons for all purposes of the Loan Documents. If there is any conflict, ambiguity, or inconsistency, in Lender's judgment, between the terms of this Agreement or any of the other Loan Documents, then the applicable terms and provisions, in Lender's judgment, providing Lender with greater rights, remedies, powers, privileges, or benefits will control.

9.2 Waiver by Borrower. Borrower waives notice of non-payment (except as expressly required by this Agreement or the other Loan Documents or by law), demand, presentment, protest or notice of protest of any Accounts or other Loan Collateral, the benefit of all valuation and appraisal laws following the occurrence and during the continuance of an Event of Default, and all other notices (except those notices specifically provided for in this Agreement). Borrower hereby waives all suretyship defenses, including all defenses set forth in Section 3-605 of the Uniform Commercial Code (the "**UCC**"). Such waiver is entered to the full extent permitted by Section 3-605(i) of the UCC. To the fullest extent not prohibited by law, Borrower waives and agrees not to assert any claim against Lender under any theory for consequential, special, indirect or punitive damages.

9.3 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the respective legal representatives, successors and assigns of the parties hereto; *however*, Borrower may not assign or transfer any of its rights or delegate any of its Obligations under this Agreement or any of the Loan Documents to which it is a party or otherwise bound, by operation of law or otherwise. Lender (and any subsequent assignee) may transfer and assign any or all of its rights or delegate any or all of its duties under this Agreement or may transfer or assign partial interests or participations in the Loans to other Persons. Lender may disclose to all prospective and actual assignees and Participants all financial, business and other information about the Borrower which Lender may possess at any time.

9.4 [Intentionally Reserved].

9.5 Security. The Obligations are secured as provided in this Agreement, the Security Documents, in the other Loan Documents and in each other document or agreement that by its terms secures the repayment or performance of the Obligations.

9.6 Survival. All representations, warranties, covenants and agreements made by Borrower herein and in the other Loan Documents shall survive the execution and delivery of this Agreement, the other Loan Documents and the issuance of the Notes.

9.7 Delay or Omission. No delay or omission on the part of Lender in exercising any right, remedy or power arising from any Event of Default shall impair any such right, remedy or power or any other right remedy or power or be considered a waiver or any right, remedy or power or any Event of Default nor shall the action or omission to act by Lender upon the occurrence of any Event of Default impair any right, remedy or power arising as a result thereof or affect any subsequent Event of Default of the same or different nature.

9.8 Notices. Any notice required, permitted or contemplated hereunder shall, except as expressly provided in this Agreement, be in writing and addressed to the party to be notified at the address set forth below or at such other address as each party may designate for itself from time to time by notice hereunder and shall be deemed duly sent: (a) when delivered in hand, (b) on completion of a facsimile transmission to the number listed below, so long as (i) receipt of confirmation of the telecopy is made by the sending party and (ii) an original notice is also sent to the receiving party contemporaneously with facsimile by overnight courier or certified U.S. mail as provided in this Section 9.8, (c) the next Business Day after such notice was delivered to a regularly scheduled overnight delivery carrier with delivery fees either prepaid or an arrangement, satisfactory with such carrier, made for the payment of such fees, or (d) when mailed by registered or certified mail, return receipt requested, addressed as follows:

Any party may change such address by sending written notice of the change to the other party.

9.9 No Partnership. Nothing contained herein or in any of the Loan Documents is intended to create or shall be construed to create any partnership, joint venture or other relationship between Lender and Borrower other than as expressly set forth herein or therein and shall not create any joint venture, partnership or other relationship.

9.10 Electronic Communication. Lender may, in its discretion, elect, from time to time, to receive certain information, including reports, otherwise required by the terms of this Agreement or the other Loan Documents ("**Reports**") from Borrower via electronic mail transmission ("**e-mail**"). Lender will designate from time to time its e-mail address to Borrower (the "**Lender E-mail Address**"). All e-mail transmissions of Reports from Borrower shall contain the information as specified in this Agreement, shall be formatted or displayed in a manner and order substantially similar to that shown in this Agreement or otherwise required by Lender and shall conform to the specifications described in this Agreement. Borrower will be solely responsible for the confidentiality of the contents of e-mail transmissions during transmission to the Lender E-mail Address. Borrower will be responsible for the accuracy of all information provided to Lender via e-mail transmission to the Lender E-mail Address, and any information so received by Lender will be deemed to have been submitted by and received from Borrower. In the event of a failure of the transmission of the Reports, it is the responsibility of Borrower to transmit the contents of any pending transmission to Lender using an alternative method which is timely and in accordance with this Agreement. Borrower agrees that, by sending Lender the Reports via e-mail transmission, Borrower is certifying the truthfulness and accuracy in all material respects of the Reports submitted each and every time Borrower sends Lender the Reports. Borrower further agrees that, on each occasion when Borrower sends Lender e-mail transmissions containing Reports, Borrower is warranting and representing to Lender the truthfulness and accuracy in all material respects of the representations and warranties relevant to that Report set forth in the relevant Loan Document. Borrower consents to and represents that it is Borrower's intent that by Borrower's insertion of Borrower's name in the subject line of the transmitting e-mail, or on the Reports (including the header and/or the certification line), Borrower intends such to constitute a legally binding and enforceable signature of Borrower, and in all aspects the legal equivalent of Borrower's handwritten signature.

9.11 Indemnification. If after receipt of any payment of all or part of the Obligations, Lender is for any reason compelled to surrender such payment to any Person because such payment is determined to be void or voidable as a preference, impermissible setoff, or diversion of trust funds, or for any other reason, this Agreement shall continue in full force and effect and Borrower shall be liable to, and shall indemnify, save and hold Lender, its officers, directors, attorneys, and employees harmless of and from the amount of such payment surrendered. The provisions of this Section shall be and remain effective notwithstanding any contrary action which may have been taken by Lender in reliance on such payment, and any such contrary action so taken shall be without prejudice to Lender's rights under this Agreement and the other Loan Documents and shall be deemed to have been conditioned upon such payment becoming final, indefeasible and irrevocable. In addition, Borrower shall indemnify, defend, save and hold Lender, its Affiliates, and their respective officers, directors, attorneys, and employees harmless of, from and against all claims, demands, liabilities, judgments, losses, damages, costs and expenses, joint or several (including all accounting fees and reasonable attorneys' fees), that Lender or any such indemnified party may incur arising out of any or all of (a) this Agreement or any of the other Loan Documents or any transaction arising or contemplated hereby, (b) any act taken by Lender hereunder or under any of the other Loan Documents, or (c) any Other Taxes except to the extent of the willful misconduct or gross negligence of such indemnified party, as determined by a court of competent jurisdiction in a final non-appealable judgment or order. The provisions of this Section shall survive the termination of this Agreement.

9.12 Power of Attorney. Borrower hereby appoints Lender, as its attorney-in-fact to indorse its name on all instruments and other documents payable to Borrower in order for Lender to perform its services under this Agreement, including under Section 2.4. Upon the occurrence and during the continuation of an Event of Default, Lender shall be entitled, but not required, to perform any action or execute any document required to be taken or executed by Borrower under this Agreement and the other Loan Documents; *provided* that Borrower shall not be relieved of such obligation under this Agreement and the other Loan Documents. The powers of attorney described in this Section are coupled with an interest and are irrevocable.

9.13 Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement and the other Loan Documents shall be governed by the domestic laws of the State of Michigan. Borrower agrees that the state and federal courts in Washtenaw County, Michigan, or any other court in which Lender initiates proceedings, have non-exclusive jurisdiction over all matters arising out of the Loan Documents, WITHOUT LIMITATION ON THE ABILITY OF LENDER, ITS SUCCESSORS AND ASSIGNS, TO INITIATE AND PROSECUTE IN ANY APPLICABLE JURISDICTION ACTIONS RELATED TO THE REPAYMENT AND COLLECTION OF THE OBLIGATIONS AND THE EXERCISE OF ALL OF LENDER'S RIGHTS AGAINST BORROWER WITH RESPECT THERETO AND ANY SECURITY OR PROPERTY OF BORROWER, INCLUDING DISPOSITIONS OF THE LOAN COLLATERAL, and that service of process in any such proceeding shall be effective if mailed to Borrower at the address described in the Notices section of this Agreement. LENDER AND BORROWER HEREBY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY MATTERS ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR ANY OF THE OTHER LOAN DOCUMENTS.

9.14 PATRIOT ACT NOTICE. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each party who opens an account. Lender will ask each party to a financial transaction their name, address and other information that will allow Lender to identify such party. Lender may also ask to see other documents that substantiate a party's identity.

EXHIBIT 2.1
REVOLVING NOTE

\$10,000,000.00

Termination Date: May 31, 2013

Dated Effective: April 30, 2012

FOR VALUE RECEIVED, the undersigned, **FAAC Incorporated**, a Michigan corporation (the "**Borrower**") promises to pay to the order of **Fifth Third Bank**, an Ohio banking corporation ("**Lender**"), at 1000 Town Center, Suite 1500, Southfield, Michigan 48075, or at such other place as the Lender may designate in writing, the principal sum of \$10,000,000, plus interest as hereinafter provided on all amounts outstanding hereunder, all in lawful money of the United States of America.

Interest Rate. Principal amount(s) outstanding under this Note shall bear interest on a basis of a year of 360 days for the actual number of days amounts are outstanding hereunder at a rate per annum (the "**Effective Interest Rate**") equal to LIBOR plus Three and Three-Quarters (3.75%) percentage points. For purposes of the foregoing, the following shall apply:

A. "**LIBOR Rate**" means the rate is the rate of interest fixed by the British Bankers' Association at 11:00 a.m., London time, relating to quotations for the one month London Interbank Offered Rates on U.S. Dollar deposits as published by Bloomberg LP, or, if no longer provided by Bloomberg LP, such rate as shall be determined in good faith by the Lender from such sources as it shall determine to be comparable to Bloomberg LP (or any successor) as determined by Lender at approximately 10:00 a.m. Cincinnati, Ohio time on the relevant date of determination. The Effective Interest Rate shall initially be determined as of the date of the initial advance of funds to the Borrower under this Note and shall be effective until the first Business Day of the month following the initial advance. The Effective Interest Rate shall be adjusted automatically on the first Business Day of each month thereafter, commencing on the first Business Day of the month following the expiration of the initial Effective Interest Rate determination under this Note. Interest shall be calculated based on a 360 day year and charged for the actual number of days elapsed.

B. "**Business Day**" shall have the meaning set forth in the Credit Agreement hereinafter referenced.

C. **LIBOR Unavailability.** If the Lender determines in good faith (which determination shall be conclusive, absent manifest error) that (a) United States dollar deposits of sufficient amount and maturity for funding the loan evidenced by this Note are not available to the Lender in the London Interbank Eurodollar market in the ordinary course of business, or (b) by reason of circumstances affecting the London Interbank Eurodollar market, adequate and fair means do not exist for ascertaining the LIBOR Rate, the Lender shall promptly notify the Borrower thereof. Thereafter the principal amount outstanding under this Note shall bear interest at the Prime Rate plus 3.75 percentage points on such date or such earlier date as required by law.

D. **Regulatory Change.** In addition, if, after the date hereof, a Regulatory Change shall, in the reasonable determination of the Lender, make it unlawful for the Lender to make or maintain the loan evidenced by this Note at the LIBOR Rate, the Lender shall promptly notify the Borrower and the LIBOR Rate shall no longer be available hereunder. Thereafter, the principal outstanding under this Note shall bear interest at the Prime Rate plus 3.75 percentage points on such date or such earlier date as required by law.

E. Indemnity. If any Regulatory Change (whether or not having the force of law) shall (a) impose, modify or deem applicable any assessment, reserve, special deposit or similar requirement against assets held by, or deposits in or for the account of or loans by, or any other acquisition of funds or disbursements by, the Lender; (b) subject the Lender or the loan evidenced by this Note to any tax, duty, charge, stamp tax or fee or change the basis of taxation of payments to the Lender of principal or interest due from the Borrower to the Lender hereunder (other than a change in the taxation of the overall net income of the Lender); or (c) impose on the Lender any other condition regarding the loan evidenced by this Note or the Lender's funding thereof, and the Lender shall determine (which determination shall be conclusive, absent manifest error) that the result of the foregoing is to increase the cost to the Lender of making or maintaining the loan evidenced by this Note at the LIBOR Rate or to reduce the amount of principal or interest received by the Lender hereunder, then the Borrower shall pay to the Lender, on demand, such additional amounts as the Lender shall, from time to time, reasonably determine are necessary to compensate and indemnify the Lender for such increased cost or reduced amount.

Advances. This Note is given as evidence of any and all indebtedness of the Borrower to the Lender arising as a result of advances or other credit which may be made under this Note from time to time. The principal amount of indebtedness owing pursuant to this Note shall change from time to time, decreasing in an amount equal to any and all payments of principal made by the Borrower and increasing by an amount equal to any and all advances made by the Lender to the Borrower pursuant to the terms hereof. The books and records of the Lender shall be conclusive evidence of the amount of principal and interest owing hereunder at anytime. From time to time, the Lender shall furnish Borrower a statement of the amount of principal and interest owing or outstanding hereunder, which statement shall be deemed to be correct, accepted by, and binding upon Borrower, unless the Lender receives a written statement shall be deemed to be correct, accepted by, and binding upon Borrower, unless the Lender receives a written statement of exceptions from Borrower within ten (10) days after such statement has been furnished.

Payment. Accrued interest shall be payable on the first Business Day of each month, beginning on June 1, 2012. The principal balance and all accrued interest shall be due on the Termination Date. All payments made hereunder shall be applied first against costs and expenses required to be paid hereunder, then against accrued interest to the extent thereof and the balance shall be applied against the outstanding principal amount hereof. In addition, this Note may be subject to a Rate Management Transaction.

Rate Management Transaction. If Borrower elects to enter into any Rate Management Transaction, then this Note is subject to such Rate Management Agreement and further evidences the Rate Management Obligations.

Prepayment. This Note may be prepaid, in full or in part, without the payment of any prepayment fee or penalty.

Additional Definitions. The following terms, as used in this Note, shall have the following meanings:

"Prime Rate" means the index rate established and designated by the Lender, in its sole discretion, to be its "prime rate" as the same may be changed from time to time and shall not refer to the actual rate of interest charged by the Lender to any particular borrower or borrowers.

"Rate Management Agreement" means any agreement, device or arrangement evidencing any Rate Management Transaction.

"Rate Management Obligation" means any and all obligations of Borrower to Lender or any of its affiliates, whether absolute, contingent or otherwise and howsoever and whensoever (whether now or hereafter) created, arising, evidenced or acquired (including all renewals, extensions and modifications thereof and substitutions therefore), under or in connection with (i) any and all Rate Management Agreements, and (ii) any and all cancellations, buy-backs, reversals, terminations or assignments or any Rate Management Agreement.

"Rate Management Transaction" means any transaction (including an agreement with respect thereto) now existing or hereafter entered into between Borrower and Lender or any of its affiliates, which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, forward transaction, currency swap transaction, floor transaction, collar transaction, forward transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions) or any combination thereof, whether linked to one or more interest rates, foreign currencies, commodity prices, equity prices or other financial measures, or any other transaction which is governed by an ISDA Master Agreement, between the Borrower and the Lender or any of its affiliates.

"Regulatory Change" means the introduction of, or any change in any applicable law, treaty, rule, regulation or guideline or in the interpretation or administration thereof by any governmental authority or any central bank or other fiscal, monetary or other authority having jurisdiction over the Lender or its lending office.

Events of Default. The Borrower, without notice or demand of any kind, except as provided for in the Credit Agreement hereinafter referenced, shall be in default under this Note if any Event of Default, as defined in the Credit Agreement hereinafter referenced, as the same may be amended from time to time, shall occur ("**Event of Default**").

Remedies. Upon the occurrence and during the continuance of any Event of Default, the Lender may, without notice, declare the entire unpaid and outstanding principal balance hereunder and all accrued interest, together with all other indebtedness of Borrower to the Lender, to be due and payable in full forthwith, without presentment, demand or notice of any kind, all of which are hereby expressly waived by Borrower, and thereupon the Lender shall have and may exercise anyone or more of the rights and remedies provided herein or in any loan agreement, mortgage, guaranty, security agreement or other document relating hereto. The remedies provided for hereunder are cumulative to the remedies for collection of the amounts owing hereunder as provided by law or by any loan agreement, mortgage, guaranty, security agreement or other document relating hereto. Nothing herein is intended, nor should it be construed, to preclude the Lender from pursuing any other remedy for the recovery of any other sum to which the Lender may be or become entitled for breach of the terms of this Note or any loan agreement, mortgage, guaranty, security agreement or other instrument relating hereto.

Costs of Collection. Borrower agrees, in case of an Event of Default under the terms of this Note or under any loan agreement, security or other agreement executed in connection herewith, to pay all out-of-pocket costs of the Lender for collection of this Note and all other liabilities of Borrower to the Lender and enforcement of its rights hereunder, including reasonable attorney fees and legal expenses including participation in bankruptcy proceedings.

No Waiver of Default. Acceptance by the Lender of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and the failure to pay the entire amount then due shall be and continue to be an Event of Default for so long as such entire amount shall remain unpaid. During the occurrence and continuance of any Event of Default, neither the failure of the Lender promptly to exercise its right to declare the outstanding principal and accrued unpaid interest hereunder to be immediately due and payable, nor the failure of the Lender to demand strict performance of any other obligation of the Borrower or any other person who may be liable hereunder shall constitute a waiver of any such rights, nor a waiver of such rights in connection with any future default on the part of the Borrower or any other person who may be liable hereunder.

Interest Rate Limited to Maximum Provided by Law. Nothing herein contained, nor any transaction relating hereto, shall be construed or so operate as to require the Borrower to pay, or be charged, interest at a greater rate than the maximum allowed by the applicable law relating to this Note. Should any interest, or other charges, charged, paid or payable by the Borrower in connection with this Note, or any other document delivered in connection herewith, result in the charging, compensation, payment or earning of interest in excess of the maximum allowed by applicable law, then any and all such excess shall be and the same is hereby waived by the holder, and any and all such excess paid shall be automatically credited against and in reduction of the principal due under this Note. If the Lender shall reasonably determine that the interest rate (together with all other charges or payments related hereto that may be deemed interest) stipulated under this Note is, or may be, usurious or otherwise limited by law, the unpaid balance of this Note, with accrued interest at the highest rate permitted to be charged by stipulation in writing between the Lender and Borrower, at the option of the Lender, shall immediately become due and payable.

Waiver of Jury Trial. BORROWER ACKNOWLEDGES THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED. BORROWER, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHOICE, KNOWINGLY AND VOLUNTARILY AND FOR ITS BENEFIT WAIVES ANY RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY CLAIM, DISPUTE, CONFLICT, OR CONTENTION, IF ANY, AS MAY ARISE UNDER THIS NOTE OR THE LOAN EVIDENCED BY THIS NOTE, AND AGREES THAT ANY LITIGATION BETWEEN THE PARTIES CONCERNING THIS NOTE OR THE LOAN EVIDENCED BY THIS NOTE SHALL BE HEARD BY A COURT OF COMPETENT JURISDICTION SITTING WITHOUT A JURY.

General. Borrower and all endorsers and guarantors hereof, if any, hereby jointly and severally waive presentment for payment, demand, notice of non-payment, notice of protest or protest of this Note, diligence in collection or bringing suit, and hereby consent to any and all extensions of time, renewals, waivers, or modifications that may be granted by the Lender with respect to payment or any other provisions of this Note, and to the release of any collateral or any part thereof, with or without substitution. The liability of the Borrower shall be absolute and unconditional, without regard to the liability of any other party hereto. This Note shall be deemed to have been executed in, and all rights and obligations hereunder shall be governed by, the laws of the State of Michigan.

Other Documents. This Note has been executed pursuant to, or is secured or supported by a Credit Agreement executed by Borrower dated of even date herewith and the Loan Documents as therein defined, and all amendments, modifications, extensions and restatements thereof. Reference is hereby made to the foregoing documents for additional terms relating to the transaction giving rise to this Note, the security or support given for this Note and additional terms and conditions under which this Note matures, may be accelerated or prepaid.

5. Grantor's Covenants. The Grantor covenants that it shall:

(a) from time to time and at all reasonable times and upon reasonable advance notice allow the Bank, by or through any of its officers, agents, attorneys, or accountants, to examine or inspect the Collateral, and obtain valuations and audits of the Collateral, at the Grantor's reasonable expense, wherever located. The Grantor shall do, obtain, make, execute and deliver all such additional and further acts, things, deeds, assurances and instruments as the Bank may reasonably require to vest in and assure to the Bank its rights hereunder and in or to the Collateral, and the proceeds thereof, including waivers from landlords, warehousemen and mortgagees. The Grantor agrees that upon an Event of Default, the Bank has the right to notify (on invoices or otherwise) account debtors and other obligors or payors on any Collateral of its collateral assignment to the Bank, and that all payments thereon should be made directly to the Bank, and that the Bank has full power and authority to collect, compromise, endorse, sell or otherwise deal with the Collateral in its own name or that of the Grantor;

(b) keep the Collateral consisting of tangible personal property in commercially reasonable good order and repair at all times and immediately notify the Bank of any event causing a material loss or decline in value of the Collateral, whether or not covered by insurance, and the amount of such loss or depreciation;

(c) only use or permit the Collateral to be used in accordance with all applicable federal, state, county and municipal laws and regulations; and

(d) have and maintain insurance in commercially reasonable amounts at all times with respect to all Collateral as required in the Credit Agreement. In the event of failure to provide insurance as provided in the Credit Agreement, the Bank may, at its option, obtain such insurance and the Grantor shall pay to the Bank, on demand, the cost thereof. Proceeds of casualty insurance may be applied by the Bank to reduce the Liabilities or to repair or replace Collateral, all in the Bank's sole discretion.

6. Negative Pledge; No Transfer. The Grantor will not sell or offer to sell or otherwise transfer or grant or allow the imposition of any additional liens or security interests upon the Collateral (except for existing liens as set forth herein and sales of inventory and collections of accounts in the Grantor's ordinary course of business and except as otherwise permitted under the Credit Agreement).

7. Covenants for Accounts. If accounts are included in the definition of Collateral:

(a) The Grantor will, promptly on the Bank's demand, make notations on its books and records showing the Bank's security interest and, in connection with an audit or inspection conducted pursuant to Section 5(a) hereof, make available to the Bank shipping and delivery receipts evidencing the shipment of the goods that gave rise to an account, completion certificates or other proof of the satisfactory performance of services that gave rise to an account, a copy of the invoice for each account and copies of any written contract or order from which an account arose. The Grantor shall promptly notify the Bank if an account becomes evidenced or secured by an instrument or chattel paper and upon the Bank's request, will promptly deliver any such instrument or chattel paper to the Bank, including any letter of credit delivered to the Grantor to support a shipment of inventory by the Grantor.

(b) The Grantor will promptly advise the Bank whenever an account debtor refuses to retain or returns any goods from the sale of which an account arose and will comply with any instructions that the Bank may give regarding the sale or other disposition of such returns. From time to time with such frequency as the Bank may reasonably request, the Grantor will report to the Bank all credits given to account debtors on all accounts, except for those early payment discounts in the ordinary course of business.

(c) [Intentionally Reserved].

(d) At any time after the occurrence and during the continuance of an Event of Default, and without notice to the Grantor, the Bank may direct any persons who are indebted to the Grantor on any Collateral consisting of accounts or general intangibles to make payment directly to the Bank of the amounts due. At any time after the occurrence and during the continuance of an Event of Default, the Bank is authorized to collect, compromise, endorse and sell any such Collateral in its own name or in the Grantor's name and to give receipts to such account debtors for any such payments and the account debtors will be protected in making such payments to the Bank. Upon the Bank's written request after and during the continuance of an Event of Default, the Grantor will establish with the Bank and maintain a lockbox account ("**Lockbox**") with the Bank and a depository account(s) ("**Cash Collateral Account**") with the Bank subject to the provisions of this subparagraph and such other related agreements as the Bank may require, and the Grantor shall notify its account debtors to remit payments directly to the Lockbox. Thereafter, funds collected in the Lockbox shall be transferred to the Cash Collateral Account, and funds in the Cash Collateral Account shall be applied by the Bank, daily, to reduce the outstanding Liabilities.

8. Further Assurances. By its signature hereon, the Grantor hereby irrevocably authorizes the Bank to execute (on behalf of the Grantor) and file against the Grantor one or more financing, continuation or amendment statements pursuant to the UCC in form reasonably satisfactory to the Bank, and the Grantor will pay the out-of-pocket cost of preparing and filing the same in all jurisdictions in which such filing is deemed by the Bank to be necessary or desirable in order to perfect, preserve and protect its security interests. If required by the Bank, the Grantor will execute all documentation reasonably necessary for the Bank to obtain and maintain perfection of its security interests in the Collateral. At the Bank's request, the Grantor will execute, in form reasonably satisfactory to the Bank, a Rider to Security Agreement - Copyrights (if any Collateral consists of registered or unregistered copyrights), a Rider to Security Agreement - Patents (if any Collateral consists of patents or patent applications), a Rider to Security Agreement - Trademarks (if any Collateral consists of trademarks, tradenames, tradestyles or trademark applications). If any Collateral consists of letter of credit rights, electronic chattel paper, deposit accounts or supporting obligations not maintained with the Bank or one of its affiliates, or any securities entitlement, securities account, commodities account, commodities contract or other investment property, then promptly after the Bank's request the Grantor will execute, and will use its commercially reasonable efforts to cause the depository institution or securities intermediary upon whose books and records the ownership interest of the Grantor in such Collateral appears, to execute such Pledge Agreements, Notification and Control Agreements or other agreements as the Bank deems necessary in order to perfect, prioritize and protect its security interest in such Collateral, in each case in a form reasonably satisfactory to the Bank.

9. Events of Default. The Grantor shall, at the Bank's option, and under the circumstances set forth in the Credit Agreement, be in default under this Agreement upon the happening and during the continuance of any Event of Default, as that term is defined in the Credit Agreement.

10. Remedies. Upon the occurrence of any such Event of Default and at any time during the continuance thereof, the Bank may declare all Liabilities secured hereby immediately due and payable and shall have, in addition to any remedies provided herein or by any applicable law or in equity, all the remedies of a secured party under the UCC. The Bank's remedies include, but are not limited to, the right to (a) peaceably by its own means or with judicial assistance enter the Grantor's premises and take possession of the Collateral without prior notice to the Grantor or the opportunity for a hearing, (b) render the Collateral unusable, (c) dispose of the Collateral on the Grantor's premises, (d) require the Grantor to assemble the Collateral and make it available to the Bank at a place designated by the Bank, and (e) notify the United States Postal Service to send the Grantor's mail to the Bank. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Bank will give the Grantor reasonable notice of the time and place of any public sale thereof or of the time after which any private sale or any other intended disposition thereof is to be made; any such sale shall be made in the manner prescribed in the UCC. The requirements of commercially reasonable notice shall be met if such notice is sent to the Grantor at least ten (10) days before the time of the intended sale or disposition. Expenses of retaking, holding, preparing for disposition, disposing or the like shall include the Bank's reasonable attorneys' fees and legal expenses, incurred or expended by the Bank to enforce any payment due it under this Agreement either as against the Grantor, or in the prosecution or defense of any action, or concerning any matter growing out of or connection with the subject matter of this Agreement and the Collateral pledged hereunder. The Grantor waives all relief from all appraisal or exemption laws now in force or hereafter enacted. In exercising its remedies hereunder, the Bank will act in good faith and in a commercially reasonable manner.

11. Power of Attorney. The Grantor does hereby make, constitute and appoint any officer or agent of the Bank as the Grantor's true and lawful attorney-in-fact, with power to (a) endorse the name of the Grantor or any of the Grantor's officers or agents upon any notes, checks, drafts, money orders, or other instruments of payment or Collateral that may come into the Bank's possession in full or part payment of any Liabilities; (b) sue for, compromise, settle and release all claims and disputes with respect to, the Collateral; and (c) sign, for the Grantor, such documentation required by the UCC, or supplemental intellectual property security agreements; granting to the Grantor's said attorney full power to do any and all things necessary to be done in and about the premises as fully and effectually as the Grantor might or could do; provided that (a), (b) and (c) only apply after an Event of Default has occurred. The Grantor hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest, and is irrevocable.

12. Payment of Expenses. At its option, after advance written notice to the Grantor, the Bank may discharge taxes, liens, security interests or such other encumbrances as may attach to the Collateral (other than Permitted Liens), and, without prior notice, may pay for required insurance on the Collateral and may pay for the maintenance, appraisal or reappraisal, and preservation of the Collateral, as determined by the Bank to be necessary. The Grantor will reimburse the Bank on demand for any payment so made or any expense incurred by the Bank pursuant to the foregoing authorization, and the Collateral also will secure any advances or payments so made or expenses so incurred by the Bank.

13. Notices. All notices, demands, requests, consents, approvals and other communications required or permitted hereunder ("**Notices**") must be in writing and will be effective upon receipt. Notices may be given in any manner to which the parties have agreed pursuant to the Credit Agreement.

14. Preservation of Rights. No delay or omission on the Bank's part to exercise any right or power arising hereunder will impair any such right or power or be considered a waiver of any such right or power, nor will the Bank's action or inaction impair any such right or power. The Bank's rights and remedies hereunder are cumulative and not exclusive of any other rights or remedies which the Bank may have under other agreements, at law or in equity.

15. Illegality. If any provision contained in this Agreement should be invalid, illegal or unenforceable in any respect, it shall not affect or impair the validity, legality and enforceability of the remaining provisions of this Agreement.

16. Changes in Writing. No modification, amendment or waiver of, or consent to any departure by the Grantor from, any provision of this Agreement will be effective unless made in a writing signed by the Bank and the Grantor, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

17. Entire Agreement. This Agreement (including the documents and instruments referred to herein) constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof.

18. Counterparts. This Agreement may be signed in any number of counterpart copies and by the parties hereto on separate counterparts, but all such copies shall constitute one and the same instrument. Delivery of an executed counterpart of signature page to this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart. Any party so executing this Agreement by facsimile transmission shall promptly deliver a manually executed counterpart, provided that any failure to do so shall not affect the validity of the counterpart executed by facsimile transmission.

19. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of the Grantor and the Bank and their respective heirs, executors, administrators, successors and assigns; provided, however, that the Grantor may not assign this Agreement in whole or in part without the Bank's prior written consent and the Bank at any time may assign this Agreement in whole or in part, provided such assignee assumes in writing or otherwise becomes liable for all obligations of the Bank hereunder.

20. Interpretation. In this Agreement, unless the Bank and the Grantor otherwise agree in writing, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute referred to; the word "or" shall be deemed to include "and/or", the words "including", "includes" and "include" shall be deemed to be followed by the words "without limitation"; references to articles, sections (or subdivisions of sections) or exhibits are to those of this Agreement; and references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments, but only to the extent such amendments and other modifications are not prohibited by the terms of this Agreement. Section headings in this Agreement are included for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. Unless otherwise specified in this Agreement, all accounting terms shall be interpreted and all accounting determinations shall be made in accordance with GAAP. If this Agreement is executed by more than one Grantor, the obligations of such persons or entities will be joint and several.

21. Indemnity. The Grantor agrees to indemnify each of the Bank, each legal entity, if any, who controls the Bank and each of their respective directors, officers and employees (the "*Indemnified Parties*") and to defend and hold each Indemnified Party harmless from and against any and all claims, damages, losses, liabilities and reasonable expenses (including all reasonable fees and charges of external counsel with whom any Indemnified Party may consult and all reasonable expenses of litigation and preparation therefor) which any Indemnified Party may incur or which may be asserted against any Indemnified Party by any person, entity or governmental authority (including any person or entity claiming derivatively on behalf of the Grantor), in connection with or arising out of or relating to the matters referred to in this Agreement or the Liabilities, whether (a) arising from or incurred in connection with any breach of a representation, warranty or covenant by the Grantor, or (b) arising out of or resulting from any suit, action, claim, proceeding or governmental investigation, pending or threatened, whether based on statute, regulation or order, or tort, or contract or otherwise, before any court or governmental authority; provided, however, that the foregoing indemnity agreement shall not apply to any claims, damages, losses, liabilities and expenses solely attributable to an Indemnified Party's gross negligence, willful misconduct, or other wrongful conduct or breach. The indemnity agreement contained in this Section shall survive the termination of this Agreement, payment of the Liabilities and assignment of any rights hereunder. The Grantor may participate at its expense in the defense of any such claim.

22. Governing Law and Jurisdiction. This Agreement has been delivered to and accepted by the Bank and will be deemed to be made in the State of Michigan. **This Agreement will be interpreted and the rights and liabilities of the parties hereto determined in accordance with the laws of the State where the Bank's office indicated above is located, except that the laws of the State where any Collateral is located (if different from the State where such office of the Bank is located) shall govern the creation, perfection and foreclosure of the liens created hereunder on such property or any interest therein.** The Grantor hereby irrevocably consents to the exclusive jurisdiction of any state or federal court in the county or judicial district where the Bank's office indicated above is located; provided that nothing contained in this Agreement will prevent the Bank from bringing any action, enforcing any award or judgment or exercising any rights against the Grantor individually, against any security or against any property of the Grantor within any other county, state or other foreign or domestic jurisdiction. The Bank and the Grantor agree that the venue provided above is the most convenient forum for both the Bank and the Grantor. The Grantor waives any objection to venue and any objection based on a more convenient forum in any action instituted under this Agreement.

23. WAIVER OF JURY TRIAL. EACH OF THE GRANTOR AND THE BANK IRREVOCABLY WAIVES ANY AND ALL RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR CLAIM OF ANY NATURE RELATING TO THIS AGREEMENT, ANY DOCUMENTS EXECUTED IN CONNECTION WITH THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED IN ANY OF SUCH DOCUMENTS. THE GRANTOR AND THE BANK ACKNOWLEDGE THAT THE FOREGOING WAIVER IS KNOWING AND VOLUNTARY.

The Grantor acknowledges that it has read and understood all the provisions of this Agreement, including the waiver of jury trial, and has been advised by counsel as necessary or appropriate.

**GUARANTY
ALL INDEBTEDNESS**

THIS GUARANTY is made on April 30, 2012, by **Arotech Corporation**, a Delaware corporation ("**Arotech**"), with an address of 1229 Oak Valley Drive, Ann Arbor, Michigan 48108 and **Electric Fuel Battery Corporation**, a Delaware corporation ("**Electric Fuel**"), with an address of 354 Industry Drive, Auburn, AL (Arotech and Electric Fuel are collectively called "**Guarantors**", and each individually called a "**Guarantor**"), to, with and in favor of **Fifth Third Bank**, an Ohio banking corporation (together with all of its affiliates, including Fifth Third Bancorp and their successors and assigns, collectively referred to as the "**Bank**"), whose address is 1000 Town Center, Suite 1500, Southfield, Michigan 48075.

RECITALS:

A. **FAAC Incorporated**, a Michigan corporation (the "**Borrower**") may from time to time request loans, advances or other financial accommodations from the Bank (collectively, the "Loans") pursuant to a certain Credit Agreement ("Credit Agreement") among Borrower, Arotech Corporation and Bank of even date herewith and the Bank may, in its discretion, honor such requests in whole or part and thereby Borrower may from time to time be indebted to the Bank.

B. The Bank is unwilling to make loans, advances or extend other financial accommodations to or otherwise do business with Borrower unless Guarantors unconditionally guarantees payment of all present and future indebtedness and obligations of Borrower to the Bank.

C. Guarantors will directly benefit from the Bank's making of loans, advances or extending other financial accommodations to or otherwise doing business with Borrower.

NOW, THEREFORE, in order to induce the Bank to make loans, advances or extend other financial accommodations to and otherwise do business with Borrower and for other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, Guarantors hereby covenant and agree with the Bank as follows:

1. Guaranty. Each Guarantor hereby irrevocably and unconditionally guarantees to the Bank: (a) the full and prompt payment and performance when due of the Indebtedness, as hereinafter defined; and (b) the payment, compliance with and performance of all other obligations, covenants, representations and warranties of every kind, nature and description in accordance with all instruments and documents executed by Borrower in favor of the Bank, whether now owing or existing or heretofore or hereafter created or arising, regardless of whether such obligations, covenants, representations or warranties are held to be unenforceable, void or of no effect against the Borrower and including without limitation, those under any loan agreement and/or promissory note executed and delivered by Borrower to the Bank, and any extensions, modifications or renewals thereof. The term "Indebtedness" shall mean all principal, interest, reasonable attorneys' fees, commitment fees, liabilities for out-of-pocket costs and expenses and all other indebtedness, obligations and liabilities under and in accordance with the terms of all instruments and documents executed by Borrower in favor of the Bank, and all interest rate swap or hedge transactions, whether direct or indirect, absolute or contingent and whether now owing or existing or heretofore or hereafter created or arising, and regardless of whether such indebtedness, obligations or liabilities are held to be unenforceable, void or of no effect against any Borrower, and all costs, expenses and fees, including reasonable attorneys' fees, arising in connection with the collection or enforcement of any or all amounts, indebtedness, obligations and liabilities of Borrower to the Bank, as described above, regardless of whether any Borrower is held to be liable for such amounts. "Indebtedness" includes without limitation, all principal and interest on the Loans and all reasonable attorneys' fees, commitment fees, liabilities for out-of-pocket costs and expenses and all other indebtedness, obligations and liabilities under and in accordance with the terms of the Credit Agreement and all other all instruments and documents executed by Borrower in favor of the Bank in connection therewith and all instruments related to any Rate Management Obligations (as defined in the Credit Agreement). Guarantor acknowledges and agrees that any indebtedness of the Borrower as evidenced by any promissory note may be extended or renewed upon maturity at the sole discretion of the Bank and that the Indebtedness as defined herein, the payment of which is hereby guaranteed, shall include, without limitation, all indebtedness and other obligations as extended or renewed and as may be evidenced by any renewal promissory note.

2. Guaranty Unconditional. This is an irrevocable, unconditional and absolute guaranty of payment, and not of collection, and the undersigned agrees that its liability on this Guaranty shall be immediate and the Bank may have immediate recourse against the undersigned for full and immediate payment of the Indebtedness at any time after the Indebtedness or any part thereof, has not been paid when due (whether by acceleration or otherwise) or the Borrower has defaulted or otherwise failed to perform when due any of its obligations, covenants, representations or warranties to the Bank.

3. Liability Not Contingent. The liability of each Guarantor on this Guaranty shall not be contingent upon the exercise or enforcement by the Bank of whatever remedies it may have against the Borrower or others, or the enforcement of any lien or realization upon any security or collateral the Bank may at any time possess. Any one or more successive and/or concurrent actions may be brought hereon against each Guarantor either in the same action, if any, brought against the Borrower or in separate actions, as often as the Bank, in its sole discretion, may deem advisable. No election to proceed in one form of action or proceeding, or against any party, or on any obligation, shall constitute a waiver of the Bank's right to proceed in any other form of action or proceeding or against other parties unless the Bank has expressly waived such right in writing. Specifically, but without limiting the generality of the foregoing, no action or proceeding by the Bank against the Borrower under any document or instrument evidencing or securing the Indebtedness shall serve to diminish the liability of any Guarantor, except to the extent the Bank realizes payment by such action or proceeding, notwithstanding the effect of any such action or proceeding upon each Guarantor's right of subrogation against the Borrower. Receipt by the Bank of payment or payments with knowledge of the breach of any provision with respect to any of the Indebtedness shall not, as to each Guarantor, be deemed a waiver of such breach. All rights, powers and remedies of the Bank hereunder and under any other agreement now or at any time hereafter in force between the Bank and each Guarantor shall be cumulative and not alternative and shall be in addition to all rights, powers and remedies given to the Bank by law.

4. Liability Absolute. Each Guarantor agrees that its liability hereunder is absolute and unconditional and that the Bank shall not be obligated (although it may do so at its sole option) before being entitled to direct recourse against any Guarantor to take any steps, whatsoever to preserve, protect, accept, perfect the Bank's interest in, foreclose upon or realize on collateral security, if any, for the payment of the Indebtedness or any other guaranty of the Indebtedness or in any other respect exercise any diligence whatever in collecting or attempting to collect the Indebtedness by any means.

5. No Impairment of Liability. The liability of each Guarantor shall in no way be affected or impaired by: (a) any amendment, alteration, extension, renewal, waiver, indulgence or other modification of the Indebtedness; (b) any settlement or compromise in connection with the Indebtedness; (c) any subordination of payments under the Indebtedness to any other debt or claim; (d) any substitution, exchange, release or other disposition of all or any part of any collateral for the Indebtedness; (e) any failure, delay, neglect, act or omission by the Bank to act in connection with the Indebtedness; (f) any advances for the purpose of performing any covenant of agreement of the Borrower, or curing any breach; (g) the filing by or against the Borrower of bankruptcy, insolvency, reorganization or other debtor's relief afforded the Borrower pursuant to the present or future provisions of the Bankruptcy Code or any other state or federal statute or by the decision of any court; or (h) any other matter whether similar or dissimilar to the foregoing. The obligations of each Guarantor are unconditional, notwithstanding any defect in the genuineness, validity, regularity or enforceability of the Indebtedness or any other circumstances whether or not referred to herein, which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor.

6. Waivers. To the extent permissible by law, each Guarantor hereby waives each and every defense which, under principles of guaranty or suretyship law or otherwise, would otherwise operate to impair or diminish the liability of any Guarantor hereunder, including, without limitation: (a) notice of acceptance of this Guaranty and of creations of Indebtedness of the Borrower to the Bank; (b) any subrogation to the rights of the Bank against the Borrower until the Indebtedness has been paid in full; (c) presentment and demand for payment of any Indebtedness of the Borrower; (d) protest, notice of protest, and notice of dishonor or default to any Guarantor or to any other party with respect to any of the Indebtedness; (e) all other notices to which any Guarantor might otherwise be entitled; (f) any demand for payment under this Guaranty; (g) any defense arising by reason of any disability or other defense of the Borrower by reason of the cessation from any cause whatsoever of the liability of the Borrower; (h) any rights to extension, composition or otherwise under the Bankruptcy Code or any amendments thereof, or under any state or other federal statute; and (i) any right or claim or claim of right to cause a marshalling of the Borrower's assets. No notice to or demand on any Guarantor shall be deemed to be a waiver of the obligation of any Guarantor or of the right of the Bank to take further action without notice or demand as provided herein; nor in any event shall any modification or waiver of the provisions of this Guaranty be effective unless in writing nor shall any such waiver be applicable except in the specific instance for which given.

7. Warranties and Representations. Each Guarantor represents, warrants and covenants to the Bank that, as of the date of this Guaranty: the fair salable value of each Guarantor's assets exceeds its liabilities, including the liability undertaken pursuant to this Guaranty; each Guarantor is meeting its current liabilities as they mature; any financial statements of any Guarantor furnished the Bank are true and correct and include in the footnotes thereto all contingent liabilities of each Guarantor; since the date of said financial statements there has been no material adverse change in the financial condition of each Guarantor; there are not now pending any material court or administrative proceedings or undischarged judgments against any Guarantor and no federal or state tax liens have been filed or threatened against any Guarantor, nor is any Guarantor in default or claimed default under any agreement for borrowed money.

8. Notices. Each Guarantor agrees to immediately give the Bank written notice of any material adverse change in its financial condition, including but not limited to litigation commenced, tax liens filed, default claimed under its indebtedness for borrowed money or bankruptcy proceedings commenced by or against any Guarantor. Each Guarantor agrees to deliver, timely to the Bank, annual financial statements for the preceding fiscal year; and at such reasonable times as the Bank requests to furnish its current financial statements to the Bank and permit the Bank or its representatives to inspect at each Guarantor's offices, its financial records and properties and make extracts therefrom in order to evaluate the financial condition of each Guarantor; *provided, however*, that Arotech's fulfillment of its obligations under Section 4.3 of the Credit Agreement shall be deemed to be fulfillment of its obligations under this Section 8 of this Agreement.

9. No Reliance by Guarantor. Each Guarantor is fully aware of the financial condition of each Borrower. Each Guarantor delivers this Guaranty based solely upon its own independent investigation and in no part upon any representation or statement of the Bank with respect thereto. Each Guarantor is in a position to and hereby assumes full responsibility for obtaining any additional information concerning the Borrower's financial condition as each Guarantor may deem material to its obligations hereunder; and each Guarantor is not relying upon nor expecting the Bank to furnish it any information in the Bank's possession concerning the Borrower's financial condition.

10. Miscellaneous. This Guaranty shall inure to the benefit of the Bank and its successors and assigns, including each and every holder or owner of any of the indebtedness guaranteed hereby. In the event that there shall be more than one such holder or owner, this Guaranty shall be deemed a separate contract with each such holder and owner. In the event that any person other than the Bank shall become a holder or owner of any of the Indebtedness, each reference to the Bank hereunder shall be construed as if it referred to each such holder or owner. This Guaranty shall be binding upon each Guarantor and its successors and assigns. Each Guarantor agrees that recourse may be had against its earnings and separate property for all of each Guarantor's obligations under this Guaranty. This Guaranty and all rights and obligations hereunder, including matters of construction, validity and performance, shall be governed by the laws of the State of Michigan.

11. Joint and Several Guaranty. The liability of each Guarantor executing this Guaranty shall be joint and several and the term "*Guarantor*" shall mean each and all such Guarantors.

12. Jury Waiver. EACH GUARANTOR ACKNOWLEDGES THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED. EACH GUARANTOR, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR ITS BENEFIT WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS GUARANTY OR THE INDEBTEDNESS.

13. Guaranty Freely Given. THIS GUARANTY IS FREELY AND VOLUNTARILY GIVEN TO THE BANK BY EACH GUARANTOR, JOINTLY AND SEVERALLY, WITHOUT ANY DURESS OR COERCION, AND AFTER EACH GUARANTOR, JOINTLY AND SEVERALLY, HAS EITHER CONSULTED WITH COUNSEL OR BEEN GIVEN AN OPPORTUNITY TO DO SO, AND EACH GUARANTOR, JOINTLY AND SEVERALLY, HAS CAREFULLY AND COMPLETELY READ ALL OF THE TERMS AND PROVISIONS OF THIS GUARANTY.

14. Collateral. This Guaranty is secured by all Security Documents (as defined in the Credit Agreement) now or hereafter executed and delivered by any Guarantor in favor of the Bank.

ARTICLE 1.
AMENDMENT TO CREDIT AGREEMENT

Upon fulfillment of the conditions set forth in Article 3 hereof, the Credit Agreement shall be amended as follows:

1.1 The definition of "Borrowing Base" in Section 1.1 is amended and restated in its entirety to read as follows:

EXHIBIT 2.1

REVOLVING NOTE

\$15,000,000.00

Termination Date: May 31, 2015

Dated Effective: February 22, 2013

FOR VALUE RECEIVED, the undersigned, FAAC Incorporated, a Michigan corporation (the "*Borrower*") promises to pay to the order of Fifth Third Bank, an Ohio banking corporation ("*Lender*"), at 1000 Town Center, Suite 1500, Southfield, Michigan 48075, or at such other place as the Lender may designate in writing, the principal sum of \$15,000,000, plus interest as hereinafter provided on all amounts outstanding hereunder, all in lawful money of the United States of America.

Interest Rate. Principal amount(s) outstanding under this Note shall bear interest on a basis of a year of 360 days for the actual number of days amounts are outstanding hereunder at a rate per annum (the "*Effective Interest Rate*") equal to LIBOR plus Three and Three-Quarters (3.75%) percentage points. For purposes of the foregoing, the following shall apply:

A. "*LIBOR Rate*" means the rate is the rate of interest fixed by the British Bankers' Association at 11:00 a.m., London time, relating to quotations for the one month London Interbank Offered Rates on U.S. Dollar deposits as published by Bloomberg LP, or, if no longer provided by Bloomberg LP, such rate as shall be determined in good faith by the Lender from such sources as it shall determine to be comparable to Bloomberg LP (or any successor) as determined by Lender at approximately 10:00 a.m. Cincinnati, Ohio time on the relevant date of determination. The Effective Interest Rate shall initially be determined as of the date of the initial advance of funds to the Borrower under this Note and shall be effective until the first Business Day of the month following the initial advance. The Effective Interest Rate shall be adjusted automatically on the first Business Day of each month thereafter, commencing on the first Business Day of the month following the expiration of the initial Effective Interest Rate determination under this Note. Interest shall be calculated based on a 360 day year and charged for the actual number of days elapsed.

B. "*Business Day*" shall have the meaning set forth in the Credit Agreement hereinafter referenced.

C. **LIBOR Unavailability.** If the Lender determines in good faith (which determination shall be conclusive, absent manifest error) that (a) United States dollar deposits of sufficient amount and maturity for funding the loan evidenced by this Note are not available to the Lender in the London Interbank Eurodollar market in the ordinary course of business, or (b) by reason of circumstances affecting the London Interbank Eurodollar market, adequate and fair means do not exist for ascertaining the LIBOR Rate, the Lender shall promptly notify the Borrower thereof. Thereafter the principal amount outstanding under this Note shall bear interest at the Prime Rate plus 3.75 percentage points on such date or such earlier date as required by law.

D. **Regulatory Change.** In addition, if, after the date hereof, a Regulatory Change shall, in the reasonable determination of the Lender, make it unlawful for the Lender to make or maintain the loan evidenced by this Note at the LIBOR Rate, the Lender shall promptly notify the Borrower and the LIBOR Rate shall no longer be available hereunder. Thereafter, the principal outstanding under this Note shall bear interest at the Prime Rate plus 3.75 percentage points on such date or such earlier date as required by law.

E. Indemnity. If any Regulatory Change (whether or not having the force of law) shall (a) impose, modify or deem applicable any assessment, reserve, special deposit or similar requirement against assets held by, or deposits in or for the account of or loans by, or any other acquisition of funds or disbursements by, the Lender; (b) subject the Lender or the loan evidenced by this Note to any tax, duty, charge, stamp tax or fee or change the basis of taxation of payments to the Lender of principal or interest due from the Borrower to the Lender hereunder (other than a change in the taxation of the overall net income of the Lender); or (c) impose on the Lender any other condition regarding the loan evidenced by this Note or the Lender's funding thereof, and the Lender shall determine (which determination shall be conclusive, absent manifest error) that the result of the foregoing is to increase the cost to the Lender of making or maintaining the loan evidenced by this Note at the LIBOR Rate or to reduce the amount of principal or interest received by the Lender hereunder, then the Borrower shall pay to the Lender, on demand, such additional amounts as the Lender shall, from time to time, reasonably determine are necessary to compensate and indemnify the Lender for such increased cost or reduced amount.

Advances. This Note is given as evidence of any and all indebtedness of the Borrower to the Lender arising as a result of advances or other credit which may be made under this Note from time to time. The principal amount of indebtedness owing pursuant to this Note shall change from time to time, decreasing in an amount equal to any and all payments of principal made by the Borrower and increasing by an amount equal to any and all advances made by the Lender to the Borrower pursuant to the terms hereof. The books and records of the Lender shall be conclusive evidence of the amount of principal and interest owing hereunder at anytime. From time to time, the Lender shall furnish Borrower a statement of the amount of principal and interest owing or outstanding hereunder, which statement shall be deemed to be correct, accepted by, and binding upon Borrower, unless the Lender receives a written statement shall be deemed to be correct, accepted by, and binding upon Borrower, unless the Lender receives a written statement of exceptions from Borrower within ten (10) days after such statement has been furnished.

Payment. Accrued interest shall be payable on the first Business Day of each month, beginning on March 1, 2013. The principal balance and all accrued interest shall be due on the Termination Date. All payments made hereunder shall be applied first against costs and expenses required to be paid hereunder, then against accrued interest to the extent thereof and the balance shall be applied against the outstanding principal amount hereof. In addition, this Note may be subject to a Rate Management Transaction.

Rate Management Transaction. If Borrower elects to enter into any Rate Management Transaction, then this Note is subject to such Rate Management Agreement and further evidences the Rate Management Obligations.

Prepayment. This Note may be prepaid, in full or in part, without the payment of any prepayment fee or penalty.

Additional Definitions. The following terms, as used in this Note, shall have the following meanings:

"Prime Rate" means the index rate established and designated by the Lender, in its sole discretion, to be its "prime rate" as the same may be changed from time to time and shall not refer to the actual rate of interest charged by the Lender to any particular borrower or borrowers.

"Rate Management Agreement" means any agreement, device or arrangement evidencing any Rate Management Transaction.

"Rate Management Obligation" means any and all obligations of Borrower to Lender or any of its affiliates, whether absolute, contingent or otherwise and howsoever and whensoever (whether now or hereafter) created, arising, evidenced or acquired (including all renewals, extensions and modifications thereof and substitutions thereof), under or in connection with (i) any and all Rate Management Agreements, and (ii) any and all cancellations, buy-backs, reversals, terminations or assignments or any Rate Management Agreement.

"Rate Management Transaction" means any transaction (including an agreement with respect thereto) now existing or hereafter entered into between Borrower and Lender or any of its affiliates, which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, forward transaction, currency swap transaction, floor transaction, collar transaction, forward transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions) or any combination thereof, whether linked to one or more interest rates, foreign currencies, commodity prices, equity prices or other financial measures, or any other transaction which is governed by an ISDA Master Agreement, between the Borrower and the Lender or any of its affiliates.

"Regulatory Change" means the introduction of, or any change in any applicable law, treaty, rule, regulation or guideline or in the interpretation or administration thereof by any governmental authority or any central bank or other fiscal, monetary or other authority having jurisdiction over the Lender or its lending office.

Events of Default. The Borrower, without notice or demand of any kind, except as provided for in the Credit Agreement hereinafter referenced, shall be in default under this Note if any Event of Default, as defined in the Credit Agreement hereinafter referenced, as the same may be amended from time to time, shall occur ("***Event of Default***").

Remedies. Upon the occurrence and during the continuance of any Event of Default, the Lender may, without notice, declare the entire unpaid and outstanding principal balance hereunder and all accrued interest, together with all other indebtedness of Borrower to the Lender, to be due and payable in full forthwith, without presentment, demand or notice of any kind, all of which are hereby expressly waived by Borrower, and thereupon the Lender shall have and may exercise anyone or more of the rights and remedies provided herein or in any loan agreement, mortgage, guaranty, security agreement or other document relating hereto. The remedies provided for hereunder are cumulative to the remedies for collection of the amounts owing hereunder as provided by law or by any loan agreement, mortgage, guaranty, security agreement or other document relating hereto. Nothing herein is intended, nor should it be construed, to preclude the Lender from pursuing any other remedy for the recovery of any other sum to which the Lender may be or become entitled for breach of the terms of this Note or any loan agreement, mortgage, guaranty, security agreement or other instrument relating hereto.

Costs of Collection. Borrower agrees, in case of an Event of Default under the terms of this Note or under any loan agreement, security or other agreement executed in connection herewith, to pay all out-of-pocket costs of the Lender for collection of this Note and all other liabilities of Borrower to the Lender and enforcement of its rights hereunder, including reasonable attorney fees and legal expenses including participation in bankruptcy proceedings.

No Waiver of Default. Acceptance by the Lender of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and the failure to pay the entire amount then due shall be and continue to be an Event of Default for so long as such entire amount shall remain unpaid. During the occurrence and continuance of any Event of Default, neither the failure of the Lender promptly to exercise its right to declare the outstanding principal and accrued unpaid interest hereunder to be immediately due and payable, nor the failure of the Lender to demand strict performance of any other obligation of the Borrower or any other person who may be liable hereunder shall constitute a waiver of any such rights, nor a waiver of such rights in connection with any future default on the part of the Borrower or any other person who may be liable hereunder.

Interest Rate Limited to Maximum Provided by Law. Nothing herein contained, nor any transaction relating hereto, shall be construed or so operate as to require the Borrower to pay, or be charged, interest at a greater rate than the maximum allowed by the applicable law relating to this Note. Should any interest, or other charges, charged, paid or payable by the Borrower in connection with this Note, or any other document delivered in connection herewith, result in the charging, compensation, payment or earning of interest in excess of the maximum allowed by applicable law, then any and all such excess shall be and the same is hereby waived by the holder, and any and all such excess paid shall be automatically credited against and in reduction of the principal due under this Note. If the Lender shall reasonably determine that the interest rate (together with all other charges or payments related hereto that may be deemed interest) stipulated under this Note is, or may be, usurious or otherwise limited by law, the unpaid balance of this Note, with accrued interest at the highest rate permitted to be charged by stipulation in writing between the Lender and Borrower, at the option of the Lender, shall immediately become due and payable.

Waiver of Jury Trial. BORROWER ACKNOWLEDGES THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED. BORROWER, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHOICE, KNOWINGLY AND VOLUNTARILY AND FOR ITS BENEFIT WAIVES ANY RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY CLAIM, DISPUTE, CONFLICT, OR CONTENTION, IF ANY, AS MAY ARISE UNDER THIS NOTE OR THE LOAN EVIDENCED BY THIS NOTE, AND AGREES THAT ANY LITIGATION BETWEEN THE PARTIES CONCERNING THIS NOTE OR THE LOAN EVIDENCED BY THIS NOTE SHALL BE HEARD BY A COURT OF COMPETENT JURISDICTION SITTING WITHOUT A JURY.

General. Borrower and all endorsers and guarantors hereof, if any, hereby jointly and severally waive presentment for payment, demand, notice of non-payment, notice of protest or protest of this Note, diligence in collection or bringing suit, and hereby consent to any and all extensions of time, renewals, waivers, or modifications that may be granted by the Lender with respect to payment or any other provisions of this Note, and to the release of any collateral or any part thereof, with or without substitution. The liability of the Borrower shall be absolute and unconditional, without regard to the liability of any other party hereto. This Note shall be deemed to have been executed in, and all rights and obligations hereunder shall be governed by, the laws of the State of Michigan.

Other Documents. This Note has been executed pursuant to, or is secured or supported by a Credit Agreement executed by Borrower dated as of April 30, 2012 (as now and hereafter amended, modified, restated or refinanced from time to time, the "Credit Agreement"), the Loan Documents as therein defined, and all amendments, modifications, extensions and restatements thereof. Reference is hereby made to the foregoing documents for additional terms relating to the transaction giving rise to this Note, the security or support given for this Note and additional terms and conditions under which this Note matures, may be accelerated or prepaid.

Replacement, Renewal and/or Extension. This Note is given in replacement, renewal and/or extension of, but not in extinguishment of the indebtedness evidenced by, that Revolving Note dated April 30, 2012 executed by the Borrower in the original principal amount of Ten Million and 00/100 Dollars (\$10,000,000.00), including previous amendments, renewals or modifications thereof, if any (the "Prior Revolving Note"). All interest evidenced by the Prior Revolving Note shall continue to be due and payable until paid. The provisions of this Note are effective on the date that this Note has been executed by all of the signers and delivered to the Lender.
